Dr. Warlito C Vicente MD, FPCS

DEAN—Brokenshire College Of Medicine,
Davao City, Philippines.

Dear Students,

Greetings to aspiring Indian students interested in **Brokenshire School of Medicine, Davao, Philippines**. Established in 1954, we offer globally recognized medical education with a strong academic foundation and advanced research facilities.

Spread across **53 acres** in Davao City, students gain hands-on clinical exposure through **5 multispecialty hospitals** with over **1400 beds**, including Brokenshire Memorial Hospital.

In partnership with Limra Overseas Education for over a decade, we proudly continue our mission of shaping skilled and globally competent doctors.

A Legacy of Medical Excellence Since 1954

Brokenshire School of Medicine offers globally recognized medical education with strong academic foundation and real-time clinical exposure.

Hands-On Learning. Real Clinical Exposure.

General Medicine

Our Department of General Medicine offers expert care for a wide range of medical issues and emergencies. Our team of skilled doctors, consultants, senior residents, and postgraduate trainers ensure seamless coordination with all hospital departments and specialties.

Internal Medicine

Delve into the intricacies of internal medicine, addressing conditions affecting vital organs such as the heart, lungs, liver, gastrointestinal tract, kidneys, brain, and more. Trust our specialized expertise for comprehensive care and treatment.

Innovative education for exceptional healthcare

Plastinated Models

Simulation Mannequins

3D Anatomage & Cadavers

Brokenshire College blends modern and traditional anatomy learning with 3D Anatomage tables and cadaver dissections. Students explore life-sized digital bodies for precision learning, while cadaver sessions provide hands-on clinical experience. A perfect mix of technology and practice for future doctors.

Virtual Reality Anatomy

Experience human anatomy in a 3D virtual environment. Explore, dissect, and study organs and systems interactively. Enhances clinical understanding beyond textbooks and models. Learn smarter, immersive, and future-ready.

How Students Get Practice in the Major Departments

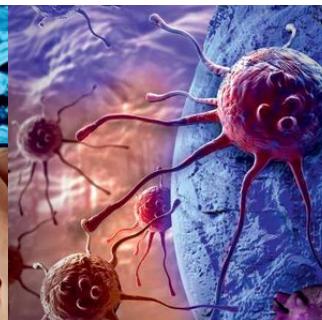

Cardiology

Students observe intricate cardiac procedures, mastering disease management.

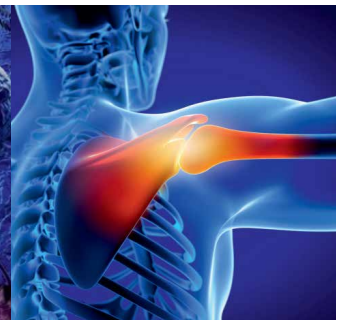

Neurology

Learn to diagnose and treat neurological disorders, gaining hands-on experience.

Oncology

Witness cancer treatment advancements, fostering holistic care understanding.

Orthopedics

Engage in surgical interventions and musculoskeletal management.

Nephrology

Diagnose and manage renal diseases, including transplantation procedures.

Gastroenterology

Participate in endoscopic procedures and digestive ailment management.

Pulmonology

Explore respiratory conditions, mastering pulmonary function tests and disease management.

Endocrinology

Manage hormonal imbalances and diabetes, interpreting hormone assays for comprehensive care.

Accreditation and Authorization to Medical Students

Philippines is the only country that gives accreditation and authorization to its medical students to register as doctors and practise in the hospitals when they successfully complete their course. The Certification below is the Authorized Announcement that is issued as per the Philippines Medical Act of 1959, by the Professional Regulation Commission, Manila.

1 be eligible for registration
2382, and other laws, rules.
ceptions of Indian nationals
uested the PRC to formally
clitate the issuance by the
ilippines.

Boundless Opportunities

Practice on 4500+ Beds, Connect with Countless Lives. Join us at Brokenshire for an enriching clinical experience that shapes tomorrow's healthcare leaders.

Training the next generation of medical experts

One of the most important reasons for the success of Indian students who have studied and graduated at Brokenshire is the immense clinical practice they imbibe in the highly accredited hospitals as associates. The combined bed strength is over 4500.
